CONCLUSION & ACTION PLAN

- This boundary dispute have been on going since 2011 and need to be resolve in order to prevent escalation toward physical fighting between villages.
- Only the Government can step in to solve this dispute since it involves the Legality of Village Land Status case.
- PT SUM committed to support and help Local Government to mediate and settle this
 dispute in case both villages still rejecting the settlement proposal by Local
 Government with appropriate Community Development Program that could bring
 benefit equally to both villages.
- The Community Development Program could be co-manage by both Village representative thru Community Co-Operative Scheme (Koperasi Masyarakat) under PT SUM & Government supervision.
- PT SUM will work closely with Local Government to monitor this case and will try to work with both Villages Head & Elders to seek Win-Win approach.

Thank You
